

Equality and Diversity Monitoring Form

Chambers wishes to ensure that we are able to recruit, develop and retain the most talented barristers, pupils and staff to our chambers.

We value the diversity of backgrounds, skills and experiences found in our chambers, and actively promote an inclusive culture where all our members of staff are able to flourish.

As part of meeting our commitments to equality and diversity, our chambers collect and analyse statistical information on all those that apply for positions with us.

This enables us to ensure that we continue to attract and select applicants on the basis of their talent and their potential to succeed.

Information obtained from this monitoring form will be used for anonymised analysis so that 12 Old Square can monitor equality and diversity in recruitment and for good equal opportunities practice.

You are not obligated to answer all, or any, of the questions but your contribution will help us to ensure that our recruitment is fair and our chambers' behaviours are diverse and inclusive.

Please answer each question in turn by choosing one option only, unless otherwise indicated. If you do not wish to answer the question, please choose the option "Prefer not to say" rather than leaving the question blank.
